I love deadlines. I love the whooshing  
noise they make as they go by.

Montana's largest county by population is Yellowstone County, home to almost 159,000 people according to 2017 estimates. That's 35 percent more people than the next most-populated county (Missoula), and 300 percent more than the least-populated county (Petroleum). Approximately 1 in 7 Montanans live in Yellowstone County.
